

Cheechako Cabins Great Guest Rewards

Cheechako Cabins now offers special rewards for our great guests and unlike other accommodation providers; it is not based on how often you stay at the cabins. To receive a reward, the housekeeper must deem you to be an exceptional guest based on how clean you left your cabin and that you did not violate any of Cheechako Cabin's policies. Those Great Guests who receive rewards will also be entered into our Bi-Annual Great Guest Draw.

The Great Guest draw is made every 6 months and the winner receives two nights free accommodation (including taxes) for two people OR the equivalent amount deducted from a family stay. Prize value is \$283.40.

Some of the rewards guests have received include lifetime 10% discounts, lifetime "No Dog Charge" which is a savings of up to \$40.00 per night, and lifetime "No Deposit Required".

To ensure you are eligible for a reward all kitchen items must be **PERFECTLY washed and dried** and any messes you made in the cabin are cleaned up.

Hint: The cleaner you are, the more entries into the draw you get.

If you have any questions about our Great Guest Rewards, please feel free to ask any of the three of us for more information. Please note that not all people entered in the draw will be contacted regarding whether they are No Deposit Required, No Dog Charge, etc. and every draw gets more and more eligible entrants as more and more people are striving for rewards.

Good Luck!!
